

Day 18 Pag1
December 28, 2022
Amalfi Coast

The Amalfi Coast is a 50-kilometer stretch of coastline along the southern edge of Italy's Sorrentine Peninsula, in the Campania region. It's a popular holiday destination, with sheer cliffs and a rugged shoreline dotted with small beaches and pastel-colored fishing villages. The coastal road between the port city of Salerno and Cliff-top Sorrento winds past grand villas, terraced vineyards and cliffside lemon groves.

Cristian Clolan (Who works at the registration desk at my hotel) and his Father Tony took me to the Royal Palace of Caserta and Amalfi in their car. Amalfi is South of Naples and is quite a winding drive, but the most spectacular views and Amalfi is very charming. Parking is a nightmare but worth the trip. While in Amalfi we ate at a local restaurant with only locals (I was the only tourist) everyone knew each other and it was like a large family, a wonderful experience.
