

Day 19 Page 1
December 29, 2022
Rome - Rest Day

No tours today. I spent most of the day preparing documents to board the ship. I did take a short walk around the neighborhood and found a great little pizza place, which seemed to be very popular, it was very good and I will be going back (Still No Ice). While I was out I did find a Pharmacy that can do the final Covid test before embarkation and must be taken no less than 48 hours before boarding.
