

Day 21 Page 1
December 31, 2022

Today is a beautiful sunny day and all I needed was a long sleeve shirt and a scarf (no coat) so I decided to go back to the Spanish Steps. The other day when I went to the Spanish Steps most of the shops were closed and they were all open today and most of them had lines and i wasn't the only one that thought today would be a good day to go shopping, it was like everyone in Italy wanted to get out and go shopping.
