At Sea

Last nights entertainment in the theatre was Divas Through The Decades. Simone Kaye presented …a nostalgic musical tribute of iconic female vocalists, it was quite nice and entertaining.

We have left the West Coast of Africa and her islands and headed across the Atlantic south west to South America, We will be at sea for 4 days and our next stop is Salvador, Brazil, then Rio de Janeiro, for 2 days. I need to keep a eye open for DeeAnne and Rowland, they are on another ship and I might possibly run into them along the South American Coast.

Desk 16 is a Private Penthouse deck for the very well to do. Deck 15 is more or a walking and lounging deck. Deck 14 also walking and lounging Deck and a Deck for small Children to play

In this evenings program we got the attached. I think they have had so many complaints that they put this together. So if you don't see a posting from me it's probably because I do not have a good connection and I'm probably in a Moderate Connection Area or Limited connection Are. Of course they know this well in advance but they don't tell you this when you purchase the service.
