At Sea

I slept in late this morning and went to the croissants & Omelette Station that is open till 11:00. I had a egg, cheese, bacon, ham and tomato omelette, it was very nice and hot. After breakfast I went to the Library hoping to find a chair so I could just sit and enjoy some of the reading material that I brought with me but no seats available so I went to the pool and after a few minutes someone got up and I grabbed a chair and just sat and read. Later I went back to my cabin and before I knew it, it was time to get ready for dinner. The entertainment in the theatre is Simone Kaye, I heard her the other night so I will skip tonight and call it a early evening. We dock in the morning (Salvador Brazil) and I have a excursion scheduled at 8:30 in the morning (Discover Salvador's Historic & Cultural Highlights). This was a very quiet and relaxing day, I need more of these.
