At Sea

Dear Guests,

We are delighted to invite you for an exclusive day, in which you will be able to access the most important and restricted areas of our amazing ship!

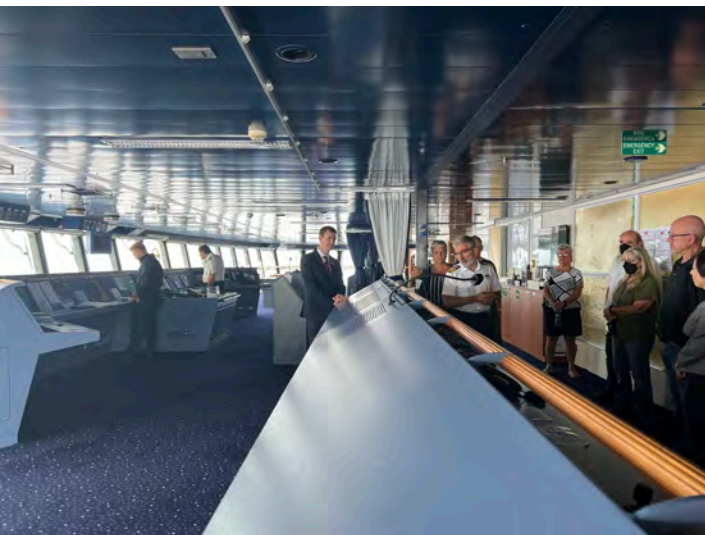

Program of your Special Day, Tomorrow 18th of February:

- *In the morning you will be able to discover the heart of our Ship, the Engine Room. Meeting point at Topazio Bar, deck 6, at 09:30.*
- *At 10:30, you will be escorted to the Bridge, where the Master and the Officers will share with you the secrets of Navigation.*
- *Exclusive Lunch at the Quattro Venti Restaurant, deck 6, at 12:30.*

*The Master
Roberto Leotta*

They decided to break us up into two tour's of the ship, at 9:30 we were escorted to the Bridge where we met the Captain and got a tour of the Bridge. Things have really changed from my Navy days. Almost everything is computer and automated.

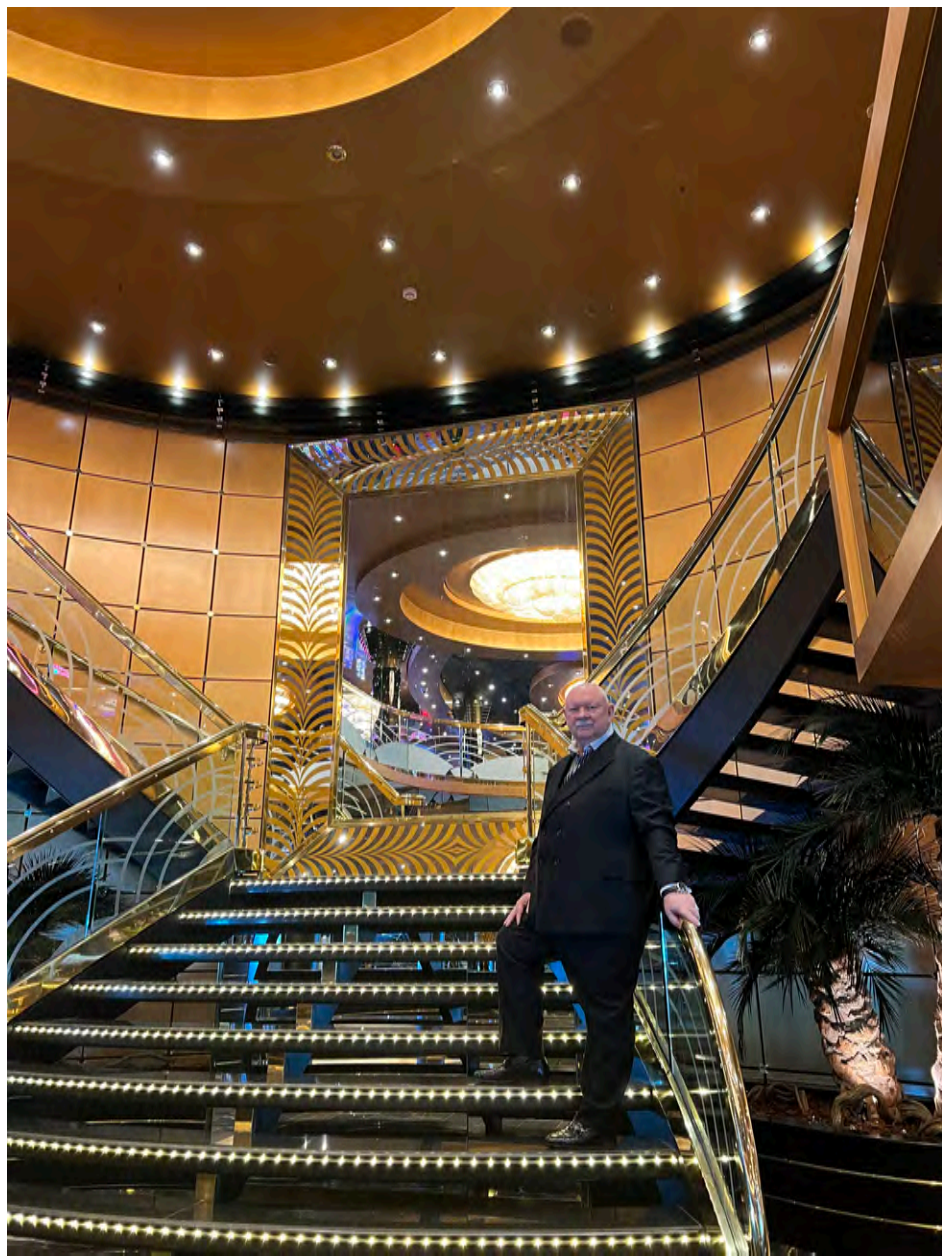

After a tour of the Bridge we went to the heart of the Ship's Control Engine Room.
