February 15, 2023]
Callao, Peru

We docked again in the dock yard and because of the Political Unrest we were allowed to get off the ship only on the pier where local vendors set up tents to sell their wares. A lot of Alpaca for sale and I purchased nothing. We brought on fuel and supplies and departed around 5:00pm for Hanga Roa (Easter Island), which is about 2037 Nautical Miles (4 Sea Days).

Tonights Theatre Show: Abyss
An amazing journey into the seep sea. Featuring the ships Dancers & Artists.
