Hobart

City in Australia

Hobart, capital of Australia's island state of Tasmania, sits on the River Derwent. At its fashionable Salamanca Place, old sandstone warehouses host galleries and cafes. Nearby is Battery Point, a historic district with narrow lanes and colonial-era cottages. The city's backdrop is 1,270m-high Mount Wellington, with sweeping views, plus hiking and cycling trails.

Tonights Theatre Show: Not Only Sand
Using sand from the desert and a simple piece of illuminated glass, Roby created amazing live drawings in a blink of an eye, using her incredibly skilled hands on the rhythm of the music.
