

Day 100 Page 1
March 20, 2023
At Sea

Tomorrow:

New Caledonia has four major island clusters. The archipelago consists of four big islands: the mainland Grande Terre, Loyalty Islands (made up of Lifou, Mare and Ouvéa), Belep Islands and Lee des Pins (isle of Pines). smaller islets also surround the perimeter of New Caledonia. This Pacific archipelago enjoys a tropical climate with wet and dry seasons throughout the year. The rainy season typically last from December to March, but precipitation can also happen in July and August. Meanwhile, the hot and humid seasons runs from September to November.

Tonights Theatre Show/Mlusicca In Maschera: Largo Al Factotum

An uplifting experience of Rossini's comic operas with their bubbly characters in sticky situations.
