Darwin, Australia

# Darwin

City in Australia

Darwin is the capital of Australia's Northern Territory and a former frontier outpost. It's also a gateway to massive Kakadu National Park. Its popular waterfront area has several beaches and green areas like Bicentennial Park. Also near the water is the Museum and Art Gallery of the Northern Territory, displaying Southeast Asian and Pacific art, plus a pearling lugger and other seafaring vessels.

## Darwin & Surrounds

Day 111 Page 2  
March 31, 2023  
Darwin, Australia

The Museum and Art Gallery of the Northern Territory had a great collection of Aboriginal art and displays on Australian history.

While many exaggerations have accompanied the story of Sweetheart some relevant facts are:
