Hilo, Hawaii

The Hilo region is blessed with dramatic waterfalls, fertile rainforests and blooming gardens, the geographic flip side of the volcanic Kohala Coast. Home to Hilo International Airport, Hilo is also the gateway to Hawaii Volcanoes National Park located 5 minutes south. A busy farming and fishing area in early times, Hilo evolved into a commercial center for the sugar industry in the 1800's. Downtown Hilo was built around its crescent shaped bay and became the seat of county government, Hilo's newest world-class attraction, the Imiloa Astronomy Center, is housed beneath three striking titanium cones representing the three largest mountains on Hawaii Island.
