Civitavecchia (Rome)

We docked early in Civitavecchia (Rome) and I took a sightseeing bus tour of the eternal city before heading to my hotel in the afternoon. I stayed at: Best Western Hotel Rome Airport, Via Portuense 2465, 00054 Fiumicino RM, Italy. +39 06 650 7221. They had a free shuttle to the airport the next morning. We drove past the Cestia Pyramid, Caracalla Baths, Circus Maximus, the Colosseo the romantic Lungotevere and the Voice Vita's Street. Via Veneto, until reaching St. Peter's Square. When we arrived at St. Peter's Square everyone got off the bus and headed out for a walking tour but I stopped and had lunch at a little cafe before getting back on the bus and heading to my hotel. I had already visited all the sights in December but had to kill time because I could not check into my hotel until 15:00.
