Honolulu, Hawaii

Louis & Kate needed to do a little shopping before boarding the ship, but we are still a little jet lagged so we spent most of the day resting.

Louis was craving some local food so I took him to the Rainbow Drive-In (he said it was exactly the taste he was looking for). My friend Milton loved their food and had me stop their frequently to pick up lunch. We had desert at 31 flavors.

We were all still a little jet lagged so we spent the rest of the day resting.
