May 8, 2023  
Honolulu, Hawaii

My friends ( Jack & Birgit ) from Canada arrived in Honolulu last night and will also be doing the cruise to Canada. I picked them up for breakfast today. They were staying at the Hilton Waikiki Beach Hotel. We ate at the Plumeria Beach Restaurant at the the Kahala Hotel. After breakfast we watched them feed the dolphins and they were also filming a Hallmark movie at the hotel. It was a fun morning.
